RE: Application of Condor Environmental, Incorporated Requesting an Expansion of Its Existing Sewer Service Area to Include Certain Portions of Anderson County and Saluda County and Approval of Agreement (Request for Expedited Review)  
**Docket No. 2020-275-S**

Dear Ms. Boyd:

In Condor Environmental, Inc.'s March 17, 2021 letter filed in this docket, Condor did not object to the Office of Regulatory Staff's recommendations relating to Condor's Amended Application filed January 12, 2021. Subject to the ORS recommendations, ORS does not object to approval of Condor's Amended Application. While ORS's review of Condor's compliance with Commission rules and regulations is ongoing, ORS believes that the Amended Application is ready for Commission decision and that such decision, when final, would allow for the conclusion of this docket.

Thank you for your consideration.

Sincerely,

*s/Alexander W. Knowles*
